MILWAUKEE MAN GETS 18 YEARS FOR UNPROVOKED 2021 NEW YEAR'S EVE PARTY SHOOTING IN AURORA

May 9, 2023

*RE: **Cameron J. Sebastian**: Age 25 (d.o.b. 1-27-1998), of the 1200 block of South 15th Place, Milwaukee, Wisconsin. Case No. 2022CF11.*

Kane County State's Attorney Jamie L. Mosser announces that **Cameron J. Sebastian** has agreed to a sentence of 18 years of imprisonment in the Illinois Department of Corrections in exchange for a guilty plea to the offense of attempt first-degree murder, Class X felony.

Judge Julia Yetter accepted the plea.

Kane County Assistant State's Attorney Mark D. Stajdohar stated the following facts in court:

On December 31, 2021, Sebastian was attending a New Year's Eve party at a residence in the 800 block of Huntington Drive, Aurora. Shortly after midnight, Sebastian, who was high on marijuana, fired multiple gunshots from a handgun in the direction of several individuals, striking one of them in the right arm. Sebastian told police he believed other partygoers were armed and planning to kill him, so he fired his gun first.

In accordance with Illinois law, Sebastian must serve at least 85 percent of the sentence. Sebastian receives credit for 490 days served in the Kane County jail.

ASA Stajdohar said: "This case is an example of the risk that occurs when people combine guns, drugs and alcohol. Mr. Sebastian should consider himself fortunate that he didn't kill someone. My thanks to Aurora police Det. Benjamin Grabowski and victim advocate Sheila Gray."
