JAMIE L. MOSSER

STATE'S ATTORNEY

FOR IMMEDIATE RELEASE

April 26, 2024

SYCAMORE MAN SENTENCED TO PRISON FOR ASSAULT AND BATTERY TO OFFICER CAUSING SERIOUS INJURY

*RE: **Tylor Z. Hyde**: Age 28 (d.o.b. 09/22/1995), of the 100 block of South Main Street,
Sycamore, Illinois. Case No. 2022CF218.*

St. Charles, Ill. - Kane County State's Attorney Jamie L. Mosser announces that Judge Julia Yetter has sentenced **Tylor Z. Hyde** to 8 years of imprisonment in the Illinois Department of Corrections.

On March 8, 2024, Judge Yetter convicted Tylor Hyde of the offenses:

- Aggravated battery, Class 1 felony
- Aggravated battery, Class 2 felony (2 counts)
- Aggravated battery, Class 3 felony
- Aggravated assault of a peace officer, Class 4 felony
- Resisting or obstructing a peace officer causing injury, Class 4 felony
- Resisting or obstructing a peace officer, Class A misdemeanor

Assistant State's Attorneys Katy Flannagan and Brandon Raney presented the following facts in court:

On February 3, 2022, officers of the West Dundee Police Department responded to an extended stay hotel for a domestic disturbance. When officers located Tylor Hyde, who was determined to be involved in the disturbance, he became aggressive with officers and indicated he was armed with a weapon. Hyde swung his arm at an officer of the West Dundee Police Department placing him in fear of receiving a battery.

Officers attempted to arrest Hyde for the assault but he continued to be uncooperative and resist officers. As officers were trying to handcuff him, Hyde intentionally shoved into the same officer that he previously attempted to strike in the shoulder/arm area which caused that officer to suffer great bodily harm.

In accordance with Illinois law, Hyde's sentence is 6 years for the Aggravated Battery count

(Class 1 Felony) and 2 years on the Aggravated Assault count (Class 4 Felony) which are to be served consecutively with each other. Hyde is eligible for day-for-day sentencing and receives credit for 51 days served in the Kane County jail.

ASA Flannagan said: “Officers of the West Dundee Police Department responded to a typical call for service on February 3, 2022 and were incredibly professional with the individuals they met that night, including the defendant. The officers did everything they were trained to do, and the defendant made a series of choices that led to a life altering injury for an officer simply doing his job. I would like to thank all of the officers from the West Dundee Police Department who were involved in this incident for their professionalism and their investigation, which ultimately led to justice for the injured officer. This sentence sends a strong message that violence towards police officers in Kane County will not be tolerated.”
